

# Employee Financial Wellness in 21 minutes or less, with ZayZoon

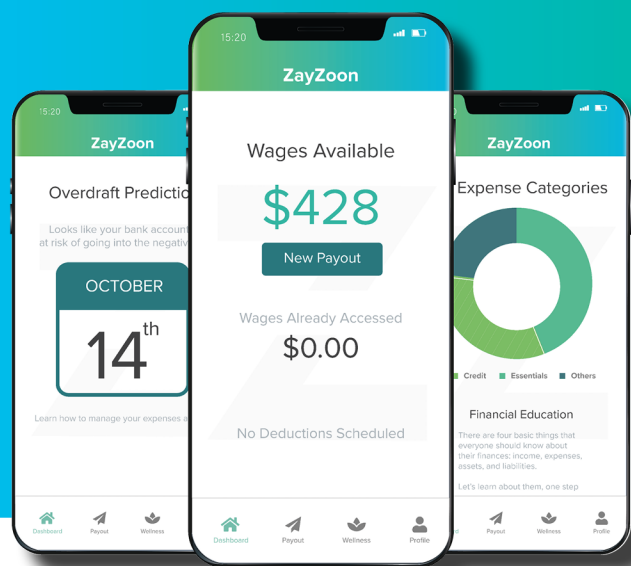

ZayZoon improves workplace productivity, retention and helps with recruitment by giving employees access to their earned wages in advance of payday.

**29%** Reduction in turnover for organizations that implement ZayZoon

**89%** of employees report that ZayZoon lowers their financial stress.

**30%** of employees will access ZayZoon

**\$19K** Saved annually on hiring costs\*  
(\*based on a 200 employee company)

## How it works:

- Data is exchanged with your systems, allowing employees to securely create an account. **Set-up in seconds.**
- We fund all transfers. **No risk or liability to you.**
- We recover funds automatically on the next check.
- We do all employee support. **No administrative overhead for you.**
- Includes ZayU – our financial wellness platform that provides education and predictive financial tools.
- Employee paid, employer paid or shared cost options.
